Deputy Headteacher
Mrs Kelly Cox BA (Hons) QTS

12 June 2020

Dear Parents/Carers,

Starting School in Reception 2020

We are delighted that your child will be joining us at Horncastle Community Primary School. In normal circumstances we would be sending out packs to individual children, with information on classes, start times etc. However, I'm sure you'll appreciate that this is unfortunately not possible at the moment, although we will confirm details as soon as we possibly can.

I thought I would draw your attention to Parenthub. This is an app that you can download on your phone and is our main way of communicating with families. Obviously the messages that are posted on the hub currently are for parents and carers of our current children. However, you are very welcome to join now and become part of the school community.

The app can be downloaded through your app store / play store:

You can log in using the school handle @HorncastlePS . You will need to select the option that says you are not a parent, and you will then start to receive general notices from school. Once your child is registered on our computer system when they start, you will be able to confirm your mobile phone number and receive direct messages from school.

We have lots of information for you and will communicate this via Parenthub, email, our school website www.horncastleprimary.co.uk or through the post.

Please bear with us during this unprecedented time and if you wish to, please call our school office on 01522 522662 or email any queries to enquiries@horncastleprimary.co.uk.

Yours faithfully,

A handwritten signature in black ink, appearing to read 'S Bladon', written over a light blue horizontal line.

Mr Steve Bladon
Headteacher
