Preferred Hours in Nursery

Your child will receive 15 hours funding which is the equivalent to 5 sessions a week. (Funding for 30 hours may be available if you meet the criteria). Please could you identify on the grid below the sessions you would like when your child starts.

Morning sessions are 9.00am – 12.00noon

Afternoon sessions are 12.15pm – 3.15pm

If your child stays for the day, we ask if your child could bring in a packed lunch.

	Monday	Tuesday	Wednesday	Thursday	Friday

If there are spaces available once the Nursery admissions deadline has been met and you would be interested in more hours, please tick the box below. We charge £10.50 per session.

I would be interested in extra hours for my child on top of their government funded 15 hours.
