

Here are a few activities you can choose from after listening to the stories 😊

This term we are all going to be explorers! What would you need in your explorer's backpack? Can you draw them or make them using junk you have around the house?

Listen to this story about what it is like to live in a part of Africa.

https://www.youtube.com/watch?v=XyIV_xYiOas

Did you see all the delicious fruits Handa carries? How many of those fruits have you tried before? Can you make a fruit kebab with fruits you have at home? Do you have any the same as Handa?

You could make a mask of one of those cheeky animals from the story? Do you know their name?

Where in the world would you like to visit? Have a look at a world map and choose a place you would like to find out more about.

Use this website to explore what is like to live in that place. What would you see if you lived there? You could make a fact file and draw pictures of all the things you might see. Can you label them?

This story is...

You can listen to it here:

<https://www.youtube.com/watch?v=0gyI6ykDwds>

Listen to this story about a lost penguin.

<https://www.youtube.com/watch?v=cRAAQ8EWzig>

Do you know where in the world we find penguins? What is the weather like there?

You could make this game. Roll the dice and feed the penguin that number of fishes. You could challenge yourself by adding two dice rolls together.
