

Reception Home Learning

Here is some work for you to do whilst you are at home. You can keep it safe and bring it in when you return, or can return it to the homelearning@horncastleprimary.co.uk address.

Phonics

Parents – You can watch these videos to help support your child’s phonics at home.

<https://www.ruthmiskin.com/en/parents-copy-2/>

You can practice reading your sounds using the flashcards we have sent home each week. Are you super speedy at reading them? Time yourself and see if you can get faster and faster!

You can play games on this website to help practice your blending skills. Remember to use Fred Talk to read the words. <https://www.phonicsplay.co.uk/resources>

EYFS Curriculum

This term our topic is ‘Explorers’. We are sharing different stories over the weeks as we explore what it’s like to live in different places around the world.

We have sent you some stories to listen to and included some follow up activities that your child can complete. These are linked to the EYFS curriculum and cover different areas of learning. They are presented in play-based way, so that your child is engaged and having fun!

We look forward to seeing what you get up to. Please send us some photos. 😊
