## Expectations of progress

Our goal is for children to:

1. Work out unfamiliar words quickly - including new vocabulary and names.
2. Read familiar words speedily - that is, words they have been taught.
3. Read texts - including the words they have been taught - fluently.

Please note: these are the expectations for the lowest $20 \%$ of children. Other children should be well in advance of this.

All children should achieve these expectations, if they have followed the programme from Reception.
