

Wednesday 21st February

Early Years Outdoor Area

We now have a most of this work complete. We are just waiting on the delivery and installation of a new climbing frame before welcoming you in to view this with the children. We will post some photos in the meantime on our Twitter page.

Upper school improvements

Our *Wellspring Communicolour* project is complete and looks great. I have attached some photos below. Our reception and corridors have also had a revamp. Please feel free to come and have a look!

Wear Red Day

Thanks to everyone who supported the Wear Red Day. This raised a whopping **£383.36** for the Children's Heart Surgery Fund.

Welcome to Mrs Bresnihan

Mrs Bresnihan has now started her role with us as class 4B's teacher. We welcome her to our school.

Food in school

We have joined Lincolnshire County Council's new initiative around healthy eating and in particular encouraging our children to think carefully about the amount of sugar they consume. As a part of this we will be reviewing our food in school policy. For more information click [here](#). In the meantime, please ensure that all snacks for break and lunchtime are healthy options. Sweets and large chocolate bars are not permitted. Thank you.

Clubs

There are still clubs with places. We would love for every child to do at least one club.

SEND Coffee Mornings – change of day

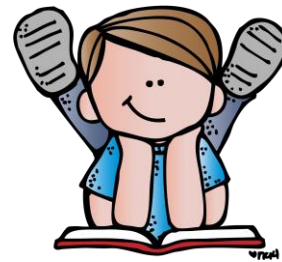

These will now take place on the first Tuesday of every month. Our next meeting on 5th March.

Thanks

Thanks to all parents and carers who were able to join us for the recent lesson invitations. It was lovely to have you in school with us.

Reading

Please encourage your child to read at least 5 times per week.
