NOVEMBER 2024

REMINDER

Welcome back!

We hope you all enjoyed your half term.

AFTER SCHOOL CLUBS

These start next week. Please sign your child up to a club for this half term!

Flu Nasal Spray

The consent forms need to be completed prior to Nov 14th when the nurses will administer these.

Manners Matter

We are delighted to share the impact of recent assemblies and school discussion around good manners. It has been very noticeable how our children have been more polite and respectful to everybody.

Charity Fundraising

We have had kind requests to support cancer and diabetes charities. We would therefore like to devote our fundraising efforts on **Friday 15th November** to supporting both of these great causes which are close to many of our hearts alongside Children In Need. Pupils can choose to donate to either Children In Need, Macmillan or Diabetes UK. They can wear spots (CIN), Pink (Macmillan) or blue (diabetes)

New graphics installed

We have installed some fantastic new graphics in our upper school to raise our pupils understanding of *A World Beyond Horncastle*. We have shared some images below...
